

George Gibb Chelmsford Essex

Personal Profile

I am a hardworking and determined individual, I perform best in a team where I can learn fast and problem solve collaboratively. I enjoy any opportunity to improve and refine abilities that are useful in developing and improving as a person including my communication, confidence and work ethic.

Key Skills

I am able to work effectively and efficiently as part of a team
I approach situations with determination and do things to the best of my ability
I have strong numerical skills and computer literacy

Employment/Career History

2024 – 2025 IT Career Switch Bootcamp

Various courses covering JavaScript, HTML, CSS, PHP, Bootstrap, jQuery, C#, Java, Python, SQL and Full-Stack development.

I found the course engaging, rewarding and demanding. After completing the courses, I completed two projects with a tutor acting as a client. I was required to pitch my approach to the projects, detailing my stack and creating a UI mockup. It also gave experience with working within deadlines.

2019 Volunteer at International Citizen's Service with Raleigh International

Providing business education to adults in rural Tanzania

I fundraised to finance my volunteering, and worked with a dozen British and Tanzanian volunteers for three months. I worked under pressure in a foreign environment, showed ability to organise and plan community events both as a member of a team and as a leader, delegating tasks, working under budgetary constraints, to collect, enter and analyse data using a spread sheet, navigating language barriers and significant cultural differences as a team.

2018 – 2019 Stock Management Assistant at John Lewis

Loading and unloading cages, delivering stock to departments, stocking shelves and security tagging high value items.

I worked under the pressure of the holiday season, quickly familiarised myself with new processes in different departments to fill gaps where I was needed, and integrated into a hard working team.

2017 – 2018 Voluntary Service Leader at New Hall School

Showed leadership and responsibility through organising weekly visits to Columbus School for the disabled. Visits were once a week and involved roughly 10 younger students. The purpose of the program was to provide disabled children with social contact.

2016 Volunteer at National Citizen's Service Working with the National Citizen Service

I showed determination and independence, as well as ability to think creatively, coming up with ideas for fundraisers that benefitted Royal Brompton & Harefield Hospitals. Methods of raising money included; Advertising on social media, Bake sales, Quiz nights, Raffles and asking local stores for donations.

2013 – 2015 Volunteer at Felsted School

As a volunteer in the Felsted School Charity Club I helped to organise fundraisers for school charities including Sparkle Malawi, Volunteer Uganda and Magic Bus
